THE HOPE OF THE WORLD

The war of 1914 laid half the nations of the world in the dust. Their homes, their industries, their peace must be restored by the rising generation. In them is the hope of the world.

To make motherhood easier, to secure for every baby a clean bill of health and a fair start in life—that is the problem.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for mothers and for future mothers. For fifty years this medicine has been used successfully in all non-surgical cases of women's diseases.

Leesburg says: "Foolish women great screen success." So? Only on the screen? Looks to me 's if foolish women were making themselves a success almost all the time nowadays. Some of 'em get so foolish that they's kill some woman merely to get square with their husbands—forgetting that there are plenty of husbands scattered over the country which they might have for the asking—especially when there's no closed season. My Bonnie Lies.

Bill Bonney once had a fair sweet-heart.

She was pretty, petite, and fair young;

One day 'twas her fate to learn he wasn't straight—

And the next time he met her she sung:

"My Bonnie lies over the ocean!"

"He lies as he crosses the swells!"

"He lies every day in some new-fangled way—

"Yassum, lies 'bout all that he tells!"

Papers are now publishing photographs of Mrs. Clara Phillips, charged with beating her husband to death with a hammer, and two of her friends, Peggy Caffee and Frankie Lee, the former-named having done the hammering, according to statements of the wife. It's a safe bet that whoever hold the hammer was wearing more clothes than when she had her photo taken for the papers.

Friend of mine with good intent asked me if I was ever in solitary confinement. I told him that I was not; but added that once I remained two hours in a store where they didn't advertise. If there's any difference to be found I think the penitentiary has the long odds.
